

UNIVERSITY OF VALLADOLID
LANGUAGE ACQUISITION LAB

CONFERENCE

An analysis of interlinguistic influence from Chinese into English in direct object realization in Chinese-English bilingual children

Qianting Yuan

*PhD Candidate
University of Valladolid
English Department*

Wednesday December 9 2015, 11-13 h.
Facultad de filosofía y letras
Salón de grados

OBJECTIVE. To put to the test recent linguistic theories on the analysis of grammatical properties when accounting for the production of bilingual speakers.
